

# Po Leung Kuk Chee Jing Yin Primary School

## 35<sup>th</sup> Anniversary Writing Competition

### Happy School Life

**1C (23) Luk Yeuk Him, Harry**  
**Junior Merit Writer Award**

My Favourite Subject

---

I love Mathematics.

By learning Maths, I can play Monopoly, Rummikub and Go.

By learning Maths, I know how much to pay for an ice-cream.

By learning Maths, I can measure my body and I know how much I grew.  
Most importantly, I don't need to worry about spelling mistakes in Maths.  
Maths is so fun!
