My School

I love my school. It is beautiful and colourful. My school is like a rainbow. In my school, the tuck shop is on the ground floor. The principal's office is on the first floor. My classroom is on the second floor. The English room is on the third floor.

My favourite class is English because I really love English. My English teacher is kind. I love her. I love Maths too because I love numbers. The Maths teacher is kind too.

Every morning I walk to the school gate, the principal will say "Hello" to me. I love my school because the teachers and classmates are nice to me. I am really happy when I am at school.
