#### My School

---

My school is Po Leung Kuk Chee Jing Yin Primary School. Let me tell you about it.

My principal is Miss Ko. She has a big mouth. She has a small nose and small eyes too. She is very kind.

My class teacher is Miss Pang. She is very nice. She has a cat. She likes it because it is lovely and cute.

Bella is my classmate. She is my best friend too. Her favourite subject is Chinese. She is good at sports. She can play football and badminton.

My favourite special room is the English room because it is big and colourful. My favourite subject is English too. Although I am not good at it, I will try my best to improve it. I will read more story books and write in my diary every day.

I love my school very much.
