#### My School

---

My school has seven floors. There is a sick room, a library, an art room, a hall and a music room. My classroom is on the fourth floor.

My favourite place at school is the art room. It is on the first floor. There are some pictures in the art room. I draw pictures there. We must keep the room clean. We mustn't run around because we may break something.

I have fun at school every day. I love my school.
