My Best Friend

Audrey is my best friend. She is short, thin and has long hair. We are in the same class, so we do a lot of things together.

First, she is my study partner, we always study and do revision together. I am weak at General Studies, so she teaches me how to do the homework. On the other hand, I am good at English, so I often help her revise for the dictations.

In short, I enjoy the time that I spend with her. I feel so lucky to meet her in this school.
