#### An Unforgettable Day

---

I'm standing on the stage, letting the principal hand me an award. I smiled when I got the certificate, then walk to the front of the stage to take a picture. I saw my mum, sitting below me, clapping proudly with the others. The camera man took the picture. The camera became a time machine, my memory went back to my most unforgettable memory – my first day of school .....

My sister and my mum went to school with me. That day, I was nervous about everything! Then my mum reassured me, "Don't worry! I'll give you this water bottle, as a gift on your first day of school! If you're lonely, hug the water bottle!" I nodded, holding the water bottle. Then, everything went well.

Today, I have been in the Chee Jing Yin family for four years. Time passes by quickly! The camera man finished taking my picture, but I walked down the stage still thinking about that memory.....
