Happy School Life

Po Leung Kuk Chee Jing Yin Primary School is a nice school. At this school, you can learn a lot of things. The teachers are kind and enthusiastic as well. You can meet new friends here.

Our Principal is Miss Ko. She is friendly and helpful. She likes to help others. If we encounter difficulties, she will help us. Miss Ko is very encouraging and generous, she gives us CJY stickers when we do good work or behave well. If the children perform well we can get CJY stickers. If we have enough stickers, we can redeem a reward.

Our school has a lot of special days. After the exams, our school will have school outings. However, this year there is COVID-19 so we can't go on school outings.

I like this school. In this school I have two friends they are Ezri and Jasmine. Our favourite activities are drawing and skipping. At the lunch break, we often go to the playground.

I know I will not stay at this school for much longer. I just have two more years so I need to cherish the time.
