A Special School Event

Our school has a lot of different activities, including Outside Learning, Sports Day and the school picnic. I like going to the school picnic the most because I can try new things and enjoy the beautiful views outside.

The most unforgettable experience was the Primary 3 picnic because it was my first time that I tried ice-skating in Ma On Shan. I was nervous and afraid so I stayed close to the side for a period of time. When I tried to take a step, I fell over suddenly! Luckily, my classmates pulled me up and we started ice-skating together. Finally, we succeeded.

After this meaningful picnic, I will not be afraid of ice-skating. Now, I think ice-skating is interesting! Also I loved this picnic very much.
