An Unforgettable Day

Last week, when I was walking home after school. I saw an old lady. She was carrying a very heavy box. She looked very tired as she walked and shook.

Suddenly, the lady tripped over a stone. She fell down and screamed loudly. I picked her up right away and was very worried. Therefore, I asked the lady, 'Are you OK?'" The lady told me her legs and waist felt painful and that she could not stand up. Then, I asked for help. Soon, a man helped her to call for an ambulance. After a while, the ambulance arrived. The man and I got on the ambulance with the lady and together we went to the hospital. I was very worried when the lady arrived to the hospital, I asked the doctor how she was, luckily, the lady was not in a serious condition.

The lady and her children were thankful to me. I promised the lady that I would visit her. Later, the lady recovered. That day was so unforgettable.
