What would you do if you swapped minds with the principal for a day?

Do you fantasize about being the Principal? What would you do if you were the principal? If I were the principal, I would change all the lessons to fun times. Students could play the board games and group games. Students could also have the music show during lessons and they could do a lot of drawings and paintings. Students will not have dictations and examinations and they don't have to bring textbooks to school. Students could bring their lovely toys to school and share it with their classmates.

Ring, Ring, Ring, the alarm went off. I had a really nice dream. I should get up and bring my school bag and textbooks to school, bye bye!
