### **School Picnic**

On 4<sup>th</sup> January, we had our school picnic. I went to Lady MacLehose Holiday Village. We went there by coach.

Yeah, we arrived! First we went to the assembly hall to listen to the staff member's introduction. Then we took a photo before starting the activities.

First we went to the archery range and learned archery. It was difficult. Then we went to the arts and crafts centre and we made a bookmark by ourselves. It was beautiful! Next we went to Rock Garden to have lunch. After that we went to Indoor Games Hall and we played badminton there. Then we went to Club House and Leisure House. We played Chinese Billiard, American Pool, Air Hockey and Soccer Games. Finally, we took the coach back to school. I felt happy and I wish I can go there again.
